October 15, 2008

It is with pride and belief in our country and much love toward our military armed forces that the members of the KY Sassy Ladies Red Hatters are sending the NKY Blue Star Mothers of America this letter of intent.

In memory of Robert Eubanks, late husband of Peggy Eubanks who is a member of our Red Hatters group as well as a member of NKY Blue Star Mothers, we would be honored if the NKY BSMA would allow us to sponsor a program for the Youth Ambassadors associated with the NKY Chapter 5 BSMA.

Of course we will have criteria to which each Youth Ambassador will need to adhere. On a yearly basis we would present a Youth Ambassador with a letter of achievement and a check in the amount of \$100.00. It is our intent that, with the consent of your chapter, this program will be put into action so that the first recipient can be recognized at the October, 2008 business meeting of the BSMA. It is the choice of the KY Sassy Ladies Red Hatters that the first recipient will be Jacob Lawson, beloved grandson of Bob and Peggy Eubanks. Each year hereafter any Youth Ambassador from Chapter 5 will be eligible to participate in this program. It is also our choice that Peggy Eubank be recognized as the chairperson of this program for the duration of said program unless so stipulated by Peggy Eubanks.

This program, if accepted by your group, will be completely funded and under the directions of the KY Sassy Ladies Red Hatters.

*Respectfully,
KY Sassy Ladies Red Hatters*
